## When Grandmamma Went Shopping

The ultimate choice of the PRUdent

She knew that good cottons were the most enduring, most attractive fabrics for wearing apparel, or household use. Her keen eye, her shrewd sense of quality never failed to choose the best values.

The woman of to-day has discovered a surer way. She asks for Prue Cottons, knowing that they are the best, price for price, and the cheapest, quality for quality.

They are made in Canada by Canadians
